DEVELOPMENTS BY TYPE

DEVELOPMENTS BY MARKET

KEY DEVELOPMENTS

Philippines | Cotabato
14 Sep 2026
3 dead, 15 wounded in BARMM election eve clash over

Category: Armed Conflict
Current Severity: High
Assessment: Three people died while 15 others were wounded following a shootout triggered by a commotion between rival political supporters outside a school in Cotabato City on the eve of the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM) parliamentary elections.
Polestar View: Commercial risk rises if violence reaches transport corridors, population centres or operating sites, or if authorities impose wider access restrictions.
Outlook 7 Days: Next seven days: track border notices, route restrictions, further clashes and credible indicators of displacement or access loss.

Pakistan | Pakistan
18 Sep 2026
Pakistan security forces attack

Category: Armed Conflict
Current Severity: Moderate
Assessment: Pakistan recorded a car-bomb attack against security personnel near a police facility, creating a specific access and personnel-safety concern.
Polestar View: Commercial risk rises if violence reaches transport corridors, population centres or operating sites, or if authorities impose wider access restrictions.
Outlook 7 Days: Next seven days: track border notices, route restrictions, further clashes and credible indicators of displacement or access loss.

4 corroborating sources

Australia | Australia
17 Sep 2026
Australia migration policy tightening

Category: Regulatory
Current Severity: Moderate
Assessment: Australia tightened migration and visa settings, changing eligibility and documentation requirements for affected workers and visitors.
Polestar View: This is a transition risk: the business effect will be set by the implementation timetable and the practical interpretation of new eligibility rules.
Outlook 7 Days: Next seven days: watch official implementation guidance, employer-facing instructions and any change to the effective timetable.

7 corroborating sources

Thailand | Narathiwat
18 Sep 2026
Bomb, shooting attack on defence volunteer truck in Narathiwat

Category: Armed Conflict
Current Severity: Moderate
Assessment: NARATHIWAT - An unknown number of assailants detonated a bomb and opened fire on a six-wheel truck carrying territorial defence volunteers in Sukhirin district of this southern border province on Friday afternoon.
Polestar View: Commercial risk rises if violence reaches transport corridors, population centres or operating sites, or if authorities impose wider access restrictions.
Outlook 7 Days: Next seven days: track border notices, route restrictions, further clashes and credible indicators of displacement or access loss.

BUSINESS IMPLICATIONS

Philippines, Australia, Pakistan, Thailand: People and Travel: Philippines: The immediate exposure is movement and site access near affected routes; the regional effect depends on persistence, spread and restrictions on commercial movement. Australia: The measure changes workforce eligibility, documentation or travel planning; the practical effect depends on the effective rule and affected worker categories. Operations and Assets: Philippines: The immediate exposure is movement and site access near affected routes; the regional effect depends on persistence, spread and restrictions on commercial movement. Pakistan: The immediate exposure is movement and site access near affected routes; the regional effect depends on persistence, spread and restrictions on commercial movement. Regulatory and market-access: Australia: The measure changes workforce eligibility, documentation or travel planning; the practical effect depends on the effective rule and affected worker categories.
