The accepted public-order set reaches High. Review it for road closures, crowd dispersal, arrests, violence or damage before changing operating posture; country volume alone does not establish impact.

DATE	ISSUE	TITLE	SEVERITY
09 Sep 2026	Riot / public disorder	Mob targeted TU Cricket Ground during Gen Z protests, but it was saved	HIGH

PROTEST FORECAST - NEXT 7 DAYS

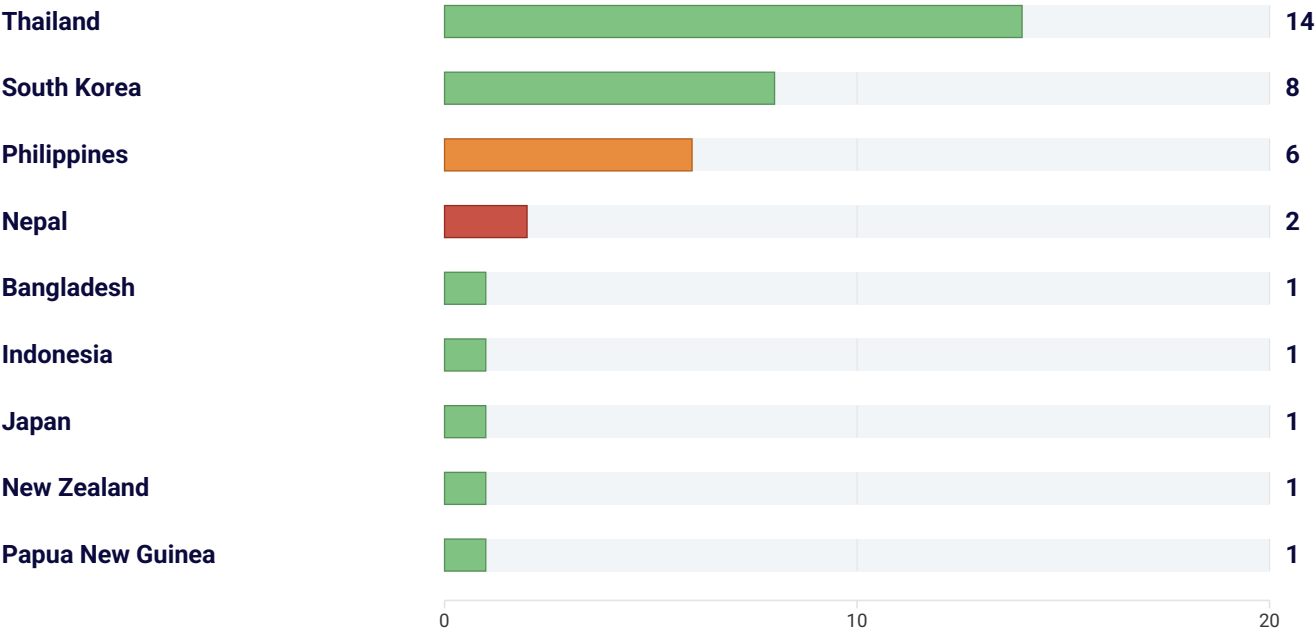

Protest schedule search is still in progress.

No unsupported forecast is presented. Monitor confirmed announcements and refresh the assessment when the accepted record changes.

REGIONAL AND COUNTRY VIEW

INCIDENTS BY COUNTRY

Bar length shows incident count; colour shows the highest severity reported in each country.

The country comparison covers Thailand, South Korea, Philippines and Nepal. Bar length represents accepted incident volume and colour represents each country's highest assessed severity; neither measure by itself establishes nationwide disruption.

WHAT MATTERS

in front of the Supreme Court, Manila, Philippines: A group called Save Bangsamoro Movement conducted a protest rally in front of the Supreme Court in Manila on Thursday, September 10. I via ANC 24/7 Link to the. Outside the Israeli Embassy, Bangkok, Thailand: Thailand Protest: Thai Demonstrators Rally Outside Israeli Embassy in Bangkok. on a campus and by the roadside in Nepal, Nepal: From queues to campus cookout: Nepal students protest cooking gas shortage with symbolic roadside meal. These are the developments that matter this period; each should change operating posture only where its reporting identifies a specific access, transport, facility or personnel effect.

IMPLICATIONS FOR BUSINESS

- in front of the Supreme Court, Manila, Philippines - confirm any closure, dispersal measure or transport effect with a current operational source before changing staff movement.

- Outside the Israeli Embassy, Bangkok, Thailand - confirm any closure, dispersal measure or transport effect with a current operational source before changing staff movement.
- on a campus and by the roadside in Nepal, Nepal - confirm any closure, dispersal measure or transport effect with a current operational source before changing staff movement.

WATCH NEXT

- Monitor official notices, transport disruption and changes to access restrictions in Thailand.
- Monitor official notices, transport disruption and changes to access restrictions in South Korea.
- Monitor official notices, transport disruption and changes to access restrictions in Philippines.

POLESTAR VIEW

Current evidence supports an overall ceiling of High. Escalate operating posture only where follow-on reporting confirms a wider footprint, sustained disruption or direct effects on personnel, routes or facilities.
