

JMIC Advisory Note: 012-26 | Southern Corridor Available

Joint Maritime Information Center

Area of Concern: Strait of Hormuz

JMIC# 012-26 Regional Threat Level: SUBSTANTIAL

06 Jul 2026

JMIC is sharing information for the awareness of owners, operators, and Mariners.

Specifically, it details procedures for transiting the Strait of Hormuz (SoH).

The maritime security threat level in the SoH remains SUBSTANTIAL.

Mariners are reminded that the southern route of the SoH has been expanded.
